

Today we begin another Walking in the Word. We will be reading through the Bible chronologically. We start at the beginning. "In the beginning, God created and spoke." It is the history of mankind. God created all things from nothing, and it was good. This book is a string of epic stories where mankind continues to get things wrong. The themes are God's authority, man's rebellion, God's judgment, God's preservation of life, and blood sacrifice. Let us begin with prayer and anticipation as we walk in the Word.
